DEAR FRIENDS OF THE AUKTIONSHAUS GÄRTNER,

On the occasion of the anniversary of the 50th international Christoph Gärtner Auction, I would like to take this opportunity to express my gratitude – to all those who have supported and accompanied me up to this point in making my philatelic dreams and visions come true. Without the many people around me, I could not have made this journey. Great thanks go to my family, first and foremost to my dearly loved wife Regina and my charming daughter Carolin, who have had not only endless patience – words cannot express it – but have also moved the C.G. group forward with their innovative ideas.

I would also like to thank my whole team for their tireless efforts. They constantly meet my challenging aims and

perspectives and always achieve top performance in realizing them. I am aware that I have often gone to the limits, for the success of all.

Of course, my special thanks also go to my valued customers and to all bidders and consignors for their many years of trust and loyalty. You give me and my team drive, power and motivation to continue and to constantly improve. My personal incentive is to make the next 50 auctions always special and exciting for you.

I now wish everyone good health and that one or the other secret wish comes true.

Sincerely
Yours

Christoph Gärtner

LIEBE FREUNDE DES AUKTIONSHAUSES GÄRTNER,

anlässlich des Jubiläums der 50. Internationalen Christoph Gärtner Auktion, möchte ich an dieser Stelle meinen Dank aussprechen – an all diejenigen, die mich bis hierher unterstützt und begleitet haben, um meine philatelistischen Träume und Visionen zu verwirklichen. Ohne die zahlreichen Menschen um mich herum, hätte ich diesen Weg nicht schaffen können. Großer Dank gilt meiner Familie, in erster Linie meiner lieben Frau Regina und meiner bezaubernden Tochter Carolin, die nicht nur unendlich viel Geduld hatten – in Worten kann man das nicht ausdrücken – sondern auch durch ihre innovativen Ideen die Firmengruppe positiv weiterentwickelt haben.

Ebenso möchte ich mich bei meinem gesamten Team für seinen unermüdlichen Einsatz bedanken. Es kommt meinen

hohen Zielvorgaben und Perspektiven unentwegt nach und vollbringt bei der Realisierung immer wieder Höchstleistungen. Mir ist bewusst, dass ich vielfach an die Grenze des zumutbaren gegangen bin, für den Erfolg aller.

Mein besonderer Dank gilt natürlich auch meinen wertgeschätzten Kunden, sowie allen Bietern und Einlieferern für das langjährige Vertrauen und die Treue. Sie geben mir und meinem Team Antrieb, Kraft und Motivation weiterzumachen und uns stets zu verbessern. Mein persönlicher Ansporn ist es, für Sie auch die nächsten 50 Auktionen abwechslungsreich und spannend zu gestalten.

Ich wünsche nun allen Gesundheit und dass der eine oder andere geheime Wunsch in Erfüllung geht.

Herzlichst
Ihr

Christoph Gärtner

我是张文一，您在C.G.嘉特纳拍卖行(Auktionshaus Christoph Gärtner)的联系人。

与这家公司其他众多同事类似，我成为邮品专家(philatelist)的道路也是源于我对于集邮浓厚的兴趣。尽管我曾在大学修读法学和政治学，毕业后还曾接受过新闻学训练，多年来对于邮票的深厚感情还是使我最终决定以此为业。在从事邮品交易，并在拍卖行从事邮品拍卖业务逾两年之后，我最终加入了C.G.嘉特纳公司。在这家业界顶尖的企业从事自己热爱的工作，使我感到十分荣幸和愉快。

在C.G.嘉特纳拍卖行，我的职责包括对东亚邮品的处理和描述，以及为大中华地区和全球各地的集邮人士提供专业的协助。我非常乐意向您提供咨询服务，以及针对委托、估值、拍卖流程和投资等方向的建议。倘若您有任何与东亚邮品相关的疑问，或是有任何问题并希望能够获得中文或英语的解答，欢迎您向我的电子邮箱——w.zhang@auktionen-gaertner.de发送邮件。另外，我也邀请您添加我的微信账号。与邮件相比，微信是更为高效和方便的沟通方式，您在本页的上方找到二维码通过微信扫描即可。

敬祝，邮运昌隆

My name is Wenyi Zhang, your contact here at Auktionshaus Christoph Gärtner. I am very pleased and deeply honoured to welcome you to participate in our auctions.

Like many other colleagues in this company, my path to a philatelist started from my profound interest. Although I studied both law and politics in university, and was also trained to become a journalist, after years of passions in philately, I decided to make this my career. After experiences as a dealer and more than two years working as an auctioneer, I am very happy to start my role here at C.G. Collectors World.

At Auktionshaus Christoph Gärtner, I am both a philatelist for East Asian postal history and a specialist serving the Chinese-speaking communities. I can provide consultations and advices related to consignments, valuations, auction procedures, and investments. If you have any enquiries related to East Asian philately, or have a question and would like to be replied in English or Mandarin, please do not hesitate to contact me via:

w.zhang@auktionen-gaertner.de. I would also like to invite you to add me on WeChat, this is a more efficient and convenient way to reach me and my colleagues. A QR-Code can be found above.

With Philatelic Greetings,
Wenyi Zhang

DIE GESCHICHTE HINTER DEM LOS

Macau 1908: „Ruinenkulisse“

Macau, bereits 1557 von den Portugiesen als Handels- und Missionszentrum unter chinesischer Oberhoheit gegründet, war von 1849 bis 1999 formell eine portugiesische Kolonie auf chinesischem Boden. Seit 1999 genießt Macau den Status einer chinesischen Sonderverwaltungszone, die mit ihren unzähligen Spielcasinos und Shopping-Malls viel Geld in die Kassen spült. Auch wenn ein Besucher heutzutage außer Fremdenführer letztlich niemanden in der Stadt finden wird, der noch Portugiesisch spricht oder zumindest versteht, zeugen die Straßennamen, Schilder und amtlichen Dokumente von der einstigen Amtssprache der früheren Kolonialherren, zumal das Hauptpostamt am Largo do Senado mit seiner „Divisão de Filatelia“ optisch ansprechende Gedenkmarken und damit „Selos de Macau“ für Sammler verkauft, die dort in Ruhe stöbern können und für „Patacas“ oder Hongkong-Dollars auch fündig werden. Macaus Wahrzeichen stellen die auf einer Anhöhe in der Altstadt gelegenen Ruinen der *Basílica do São Paulo* dar, die ab 1602 errichtet, aber 1835 bis auf die vordere steinerne Fassadenwand Opfer eines Brandes wurde. Für jeden Macau-Besucher ist diese „Ruinenkulisse“ ein touristisches „Muss“, eine Empfehlung, die schon 1908 galt,

wie die hier abgebildete herrliche Postkarte belegt: Die auf der Rückseite der in Hongkong gedruckten Grußkarte befindliche Schwarzweißphotographie von *São Paulo* zeigt bis auf kleine Anbauten und Details die „Ruinenkulisse“, wie man sie auch heute noch sieht. Für den Philatelisten ist aber die Adressseite mit ihrer hübschen Sechsfarbenfrankatur noch interessanter, die aus 6 verschiedenen Briefmarken mit dem Portrait von König Carlos (28.9.1863 - 1.2.1908; reg. seit 1889) aus den beiden 1898 und 1903 verausgabten Freimarkenserien besteht, darunter die auf Brief/Karte selten zu findenden 16 Avos blau/schwarz auf blau sowie die 18 A braun/schwarz auf rosa. Die Marken sind mit dem Datumstempel *Macaus* vom 24.8.1908 entwertet. Adressat war das in Frankreichs Metropole Lyon wohnhafte Ehepaar Dely („Jean“ und „Jeanette“). Via Hongkong (Transitstempel des dortigen General Post Office vom 25.8.) gelangte die Einschreibe-Karte (rückseitiger Einschreibe-Aufkleber Nr. 8659) über den Suez-Kanal und Marseille in die Rhonestadt Lyon, wo sie gemäß rückseitigem Ankunftsstempel am 23.9.1908 eintraf. Zu diesem Zeitpunkt lebte König Carlos jedoch nicht mehr, da er am 1.2.1908 einem Attentat in Lissabon zum Opfer gefallen war.

1897 Red Revenue, small 2 cents surcharge in Black-Green (dark green), position 9, centered a bit to base just like the example from the Robert C.H. Lee collection, dot extremely misplaced, part original gum, no tears but oxidized, fine (Chan 84Ta). A remarkable example from the earliest trial printings. This is one of only 4 recorded copies so far. This black-green surcharge is known as the dark-green surcharge by Chinese specialists. There are two theories as to how this variety occurs. The most plausible theory is that there was one setting of twenty stamps which had a black surcharge applied directly over the green trial surcharge due to the surcharge plate not have been properly cleaned. The resulting surcharge in black on green ink similarly heavy and smudged. The printing block needed thorough cleaning, and the theory that it was broken up to do this is reasonable. In that case the setting of the dark green surcharge would be the same, than that of the green trial print. According to a study of this stamp on Postal History Research, No. 24 (March 2007) by Mr. Wang Tong, there were at least two instances of the surcharge plate being insufficiently cleaned, thereby resulting in this phenomenon of a green-black surcharge. We know that the green setting was applied on the top two rows and it is logical to assume that the black on green was applied on the next two rows. The example of this surcharge matches that of the previous offered stamps at Matthew Bennett and Interasia in that it has heavier impression around the outside of the characters and hollow in the middle. To date, there are only three properly documented examples of this exceptionally rare variety, which is listed in Chan catalogue as 84Ta: Pos. 4 H.B.R. Clarke (April 1953), Dr. Robert C.H. Lee (November 1963), Sun (Matthew Bennett, June 2001); Pos 15 Sir David Roseway (Robson Lowe, November 1963); Pos 11 (Interasia, December 2012), Provenance: this was the hidden treasury from family Schroeder, Mr. Karl E. Schroeder, one of the first German stamp dealers for Chinese Philately, found it in the sixties in an old german estate and kept this rarity secretly for decades!

Wichtige Information

Zum 1. Januar 2014 wurde die Umsatzsteuer für Sammlungsobjekte wie Briefmarken und Münzen von 7% auf 19% erhöht.

Deshalb bieten wir in unseren Auktionen inzwischen den überwiegenden Teil der Lose differenzbesteuert an. Bei diesen Losen wird weder für den Zuschlag noch für das Aufgeld Umsatzsteuer gesondert berechnet, da wir als Auktionshaus die anfallende Umsatzsteuer bei Lieferungen in Deutschland und innerhalb der EU tragen.

Seit der 29. Auktion können wir nun auch viele Lose differenzbesteuert anbieten, für die zuvor 19 % Umsatzsteuer erhoben werden musste. Hierbei handelt es sich um Lose, die in die EU eingeführt worden sind. Die mit dem Import verbundenen Kosten in Höhe von 7 % des Zuschlags müssen wir an Sie weiterberechnen (= Importspesen, die Bestandteil des Kau-

fpreises sind). Diese Importspesen werden auch dann berechnet, wenn das gekaufte Los exportiert wird. Alle Lose dieser Art sind im Katalog mit einem Plus hinter der Losnummer (Beispiel: 4839 +) gekennzeichnet.

Nur Lose mit einem Punkt hinter der Losnummer (Beispiel: 3412 ●) unterliegen der Regelbesteuerung von derzeit 19 %, so dass wir hier Umsatzsteuer für Zuschlag und Aufgeld berechnen müssen (entfällt bei Export).

Bei allen Losen ohne Kennzeichnung (● oder +) werden nur Zuschlag und Aufgeld berechnet – keine Umsatzsteuer oder Importspesen!

Welche Auswirkungen dies für Sie als Bieter hat, wird an den folgenden Beispielen für ein Los, das mit 1.000,- € zugeschlagen wird, deutlich:

Lose ohne Markierung differenzbesteuert		Lose mit + differenzbesteuert mit Importspesen 7 %		Nur bei Losen mit • regelbesteuert 19 %

Important Information – for EC customers mainly

Since January 1st, 2014 the German VAT for collectibles like stamps and coins was increased from 7% to 19%.

Therefore, we now offer the majority of our lots under margin system. No tax at all will be charged on top neither on the hammer price nor on the buyer's premium for these lots and the Christoph Gärtner Auction Company pays and transfers the VAT.

Starting with the 29th auction we now can offer many lots under margin system for which we previously had to charge 19 % VAT. These are lots which have been imported into the EC. The costs of the import amount 7 % of the hammer price

which we have to charge you (= import expenses, part of the buying price). The import expenses will also be invoiced, if the lots are exported. All lots of this kind are marked by a plus after the lot number (ie 4839 +).

Lots marked in the catalogue by a point after the lot number (ie 3412 ●) will be charged under normal VAT rate of 19 %, if the lot is not exported (not charged when exported).

For all lots without any mark (● or +) only hammer price and buyer's premium will be charged - no VAT or import expenses will be added!

The piece in our auction (Lot 44) is the only known stamp of this \$3600 value, and is the same piece published in Mr. Yi's article.

Bei gleich hohen Geboten entscheidet die zeitliche Reihenfolge des Gebotseinganges, bei zeitgleichem Eingang das Los. Lose, die „gegen Gebot“ ausgerufen werden, bedingen ein Mindestgebot von 20,- Euro und werden zum Höchstgebot zugeschlagen.

3. An den Versteigerer übermittelte (schriftliche) Gebote werden streng interessiewahrend nur in dem Umfange ausgeschöpft, der notwendig ist, um anderweitig vorliegende Gebote zu überbieten, werden jedoch ohne Gewähr ausgeführt.

4. Telefonische Bieter müssen mindestens den Ausruf bieten und eine schriftliche Bestätigung nachreichen. Im Falle einer Nichterreichbarkeit gilt das Mindestgebot als geboten. Bei Telefongeboten übernimmt der Versteigerer keine Gewähr für das Zustandekommen einer Verbindung.

5. Der Versteigerer erhält vom Käufer ein Aufgeld von 23,8% des Zuschlagspreises sowie 2,- Euro pro Los. Für Lose, die mit • gekennzeichnet sind, wird für den Zuschlagspreis und das Aufgeld die gesetzliche Umsatzsteuer erhoben. Lose ohne Kennzeichnung unterliegen der Differenzbesteuerung nach §25a UStG; es erfolgt kein gesonderter Umsatzsteuerausweis. Bei Losen mit + (Plus) hinter der Losnummer handelt es sich ebenfalls um differenzbesteuerte Lose, jedoch werden zusätzlich die mit dem Import verbundenen Kosten in Höhe von 7% des Zuschlags (= Importspesen, die Bestandteil des Kaufpreises sind) an den Käufer weiterberechnet. Bei Zusendung der Ware werden Porto und Versicherungspauschale zuzüglich gesetzlicher Umsatzsteuer gesondert in Rechnung gestellt. Käufe, die in ein umsatzsteuerliches Drittland ausgeführt werden, sind von der Umsatzsteuer befreit. Steuern/Abgaben für die Einfuhr der Käufe im Zielland gehen zu Lasten des Käufers.

6. Mit dem Zuschlag kommt ein Kaufvertrag zwischen dem Versteigerer und dem Bieter zustande. Er verpflichtet den Käufer zur Abnahme und Bezahlung am Versteigerungsort. Wer für Dritte bietet, haftet selbstschuldnerisch neben diesen. Gleichzeitig geht mit der Zuschlagserteilung die Gefahr für nicht vom Versteigerer zu vertretende Verluste oder Beschädigungen auf den Käufer über. Das Eigentum an der versteigerten Sache wird erst nach vollständigem Zahlungseingang beim Versteigerer auf den Käufer übertragen. Schriftliche Bieter erhalten in aller Regel eine Vorausrechnung, die sofort fällig ist. Erst nach vollständiger Bezahlung der Rechnung besteht ein Anspruch auf Aushändigung der gekauften Lose.

7. Sind Lose vereinbarungsgemäß vom Versteigerer zu versenden, hat der Käufer dem Versteigerer zu Nachforschungszwecken spätestens zehn Wochen nach dem Ende der Auktion (bei Vorkasse: nach der Bezahlung der Ware) schriftlich mitzuteilen, falls die zu versendende Ware nicht oder nicht vollständig zugegangen ist.

8. Alle Beträge, welche 14 Tage nach der Versteigerung bzw. Zustellung der Auktionsrechnung nicht beim Versteigerer eingegangen sind, unterliegen einem Verzugszuschlag von 2%. Dazu werden Zinsen in Höhe von 1% pro Monat erhoben, es sei denn, der Käufer weist nach, dass ein geringerer oder kein Schaden entstanden ist. Im Übrigen kann der Versteigerer wahlweise Erfüllung oder nach Fristsetzung Schadenersatz wegen Nichterfüllung verlangen; der Schadenersatz kann dabei auch so berechnet werden, dass die Lose verkauft oder in einer neuen Auktion nochmals angeboten werden. Der säumige Käufer muss hierbei für den Mindererlös gegenüber der früheren Versteigerung und den damit verbundenen zusätzlichen Kosten einschließlich der Gebühren des Versteigerers aufkommen. Auf einen eventuellen Mehrerlös hat er jedoch keinen Anspruch.

9. Die zur Versteigerung kommenden Lose können vor der Auktion besichtigt und geprüft werden. Sie werden in dem Zustand versteigert, in dem sie sich bei der Auktion befinden. Die nach bestem Wissen und Gewissen vorgenommenen Katalogbeschreibungen sind keine zugesicherten Eigenschaften. Der Käufer kann den Versteigerer nicht wegen Sachmängeln in Anspruch nehmen, sofern dieser seiner obliegenden Sorgfaltspflicht nachgekommen ist. Sammlungen, Posten etc. sind von jeglicher Reklamation ausgeschlossen, ansonsten verpflichtet sich der Versteigerer jedoch, wegen begründeter Mängelrügen, die ihm bis spätestens vier Wochen nach Auktionsschluss angezeigt werden müssen, innerhalb der Verjährungsfrist von einem Jahr seine Gewährleistungsansprüche gegenüber dem Einlieferer geltend zu machen.

Im Rahmen von Reklamationen ist bei der Rücksendung an den Versteigerer die Original-Loskarte beizufügen. Die Lose müssen sich in unverändertem Zustand befinden. Dies betrifft auch das Entfernen von Falzen, das Wässern, sowie chemische Behandlungen. Lediglich das Anbringen von Prüfzeichen der Mitglieder eines anerkannten Prüferverbandes gilt nicht als Veränderung. Der Versteigerer kann verlangen, dass bei Reklamationen ein entsprechender schriftlicher Befund eines zuständigen Verbandprüfers eingeholt wird. Will der Käufer eine Prüfung vornehmen lassen, so ist dies dem Versteigerer vor der Auktion mitzuteilen. Die Reklamationsfrist verlängert sich entsprechend. Dies betrifft jedoch nicht die Verpflichtung zur sofortigen Bezahlung der Lose. Die Kosten einer Prüfung werden dem Käufer in Rechnung gestellt, wenn das Prüfergebnis mit der Losbeschreibung übereinstimmt oder der Käufer das Los trotz abweichendem Prüfungsergebnis erwirbt. Mängel, die bereits aus der Abbildung ersichtlich sind, berechtigen nicht zur Reklamation. Lose, bei denen Fehler beschrieben sind, können nicht wegen eventueller weiterer geringer Fehler zurückgewiesen werden. Im Falle erfolgreicher Inanspruchnahme des Einlieferers erstattet der Versteigerer den gezahlten Kaufpreis einschließlich Aufgeld zurück; ein darüber hinausgehender Anspruch ist ausgeschlossen. Der Versteigerer ist berechtigt, den Käufer mit allen Reklamationen an den Einlieferer zu verweisen. Durch die Abgabe eines Gebotes auf bereits von anerkannten Prüfern signierte oder attestierte Lose werden die vorliegenden Prüfzeichen oder Atteste als maßgeblich anerkannt. Werden Lose unter dem Vorbehalt der Gutachten anderer Prüfer geboten, so ist dies dem Versteigerer mit dem Gebot anzuzeigen.

Bezeichnungen wie „Pracht“, „Kabinett“, „Luxus“ etc. stellen die subjektive Einstellung des Versteigerers und in keinem Falle eine Beschaffenheitsangabe im kaufrechtlichen Sinne dar. Lose, die mit „feinst“ oder „fein“ beschrieben sind, können Fehler aufweisen. Stücke, deren Wert durch den Stempel bestimmt wird, können wegen anderer Qualitätsmängel nicht beanstandet werden.

10. Ansichtssendungen sind nur von Einzellosen möglich. Postfrische Marken sind von der Versendung ausgeschlossen. Die Lose sind innerhalb von 24 Stunden zurückzusenden, wobei die von uns gewählte Versendungsart anzuwenden ist. Gefahr und Kosten gehen zu vollen Lasten des Anforderers. Sollten die Lose am Auktionstag nicht vorliegen, so werden sie eine Steigerungsstufe über dem nächsthöheren Gebot, mindestens jedoch zum Ausruf, dem Anforderer zugeschlagen.

11. Erfüllungsort ist Bietigheim-Bissingen. Das gilt auch, wenn wir die Ware ausnahmsweise an einem anderen Ort übergeben oder von einem anderen Ort aus versenden. Gerichtsstand für den vollkaufmännischen Verkehr ist Ludwigsburg. Es gilt ausschließlich deutsches Recht. Kommen Kaufverträge durch Versteigerung in einem Land außerhalb der Bundesrepublik Deutschland zustande, findet bei Verbrauchern deutsches Recht nur Anwendung, soweit hierdurch der durch zwingende Bestimmungen des Rechts des Staats des gewöhnlichen Aufenthalts des Verbrauchers gewährte Schutz nicht entzogen wird (Günstigkeitsprinzip).

12. Sollten eine oder mehrere der vorstehenden Bedingungen ganz oder teilweise unwirksam sein oder werden, berührt dies nicht die Gültigkeit der übrigen Bedingungen. Es soll dann das gelten, was dem ursprünglich wirtschaftlich verfolgten Zweck entspricht oder ihm am nächsten kommt.

13. Vorstehende Bestimmungen gelten sinngemäß auch für den Nachverkauf und den freihändigen Verkauf.

GENERAL AUCTION CONDITIONS

By the submission of bids the following General Auctions Conditions of the Auctioneer are recognized and accepted.

These Auction Conditions shall apply, unless binding law at the location of the auction stipulates divergent provisions.

1. The auction is voluntary and held in public in the name of the auctioneer on his own behalf for his own account against immediate payment in Euro. Foreign currency and cheques are accepted at the daily exchange rate of the German Federal Reserve. Trading and exchange are not allowed in the auction rooms.

2. Bidding increments are published in the actual Auction Manual and are from 5 to 10% of the starting price or the actual submitted bid price respectively. The lot is sold to the highest bidder after threefold call. The Auctioneer reserves the right to bar persons from the auction at his sole discretion, to refuse knocking a lot down or to withdraw, pool, recombine or divide lots, to call lots once more in case of equivocality or misunderstandings or to knock a lot down subject to consignor's approval. Bids below the starting price with a knockdown subject to consignor's approval are binding for the bidder for a period of four weeks but are non-binding for the auctioneer. In case of even bids the chronological order of their receipt is applicable; in case of simultaneous receipt of even bids the auctioneer decides by drawing lots.

3. Bids transmitted to the auctioneer (in written form) will be treated with confidence and will only be used to top the other previous bid. However the auctioneer cannot take responsibility for this procedure. Lots without a particular starting price require a minimum bid of 20,- Euro and will be knocked down to the highest bid.

4. Telephone bidders must offer at least the starting price and submit a written confirmation thereafter. In the event of unavailability of the bidder on the phone the minimum bidding price is valid. The auctioneer is not responsible for the setting up and/or persistence of the telephone connection.

5. The auctioneer receives a premium of 23.8% of the hammer price from the buyer plus 2.00 Euro per purchased lot. For all lots which are marked with • behind the lot number Value Added Tax (VAT) will be added to the hammer price and to the buyers premium. Lots without marking are sold under the margin system (§25a UStG); there will be no turnover tax statement. Lots marked with + are sold under the margin system as well but additional expenses for importing the items in the amount of 7% of the hammer price are charged (= Import Expenses, which are part of the total sales price). If shipment is requested by the buyer or becomes necessary, costs for postage, packing and insurance plus VAT will be charged separately. For purchases from abroad, which will be exported to a third country (non-EU), VAT will not be invoiced after receiving an evidence of exportation. Duty and/or other charges related to importing the purchases into the country of destination are on buyer's account.

6. The purchase contract between the auctioneer and the buyer is closed on the knockdown of the lot. Based on this contract the buyer is obliged to accept and pay for the goods at the point of sale. In case of bidding for a third party, the bidder is liable as a principal as well as the third party. At the moment of knockdown all risks concerning loss or damage of a purchased lot is the responsibility of the buyer. The ownership of the auctioned goods will only be transferred to the buyer when full payment has been effected. Bidders making written bids will in general receive a prepayment invoice, which is due for immediate payment. Only if the invoice has fully been paid, the buyer has the right to claim ownership of the purchased lots.

7. If it is agreed, that the auctioneer will ship the purchased lots, and they are not or not completely received within ten weeks after the end of the auction (in case of prepayment: after the payment of the goods) latest, the buyer has to inform the auctioneer in writing about this incident for purposes of investigation.

8. Outstanding debts, which have not been paid 14 days latest after the auction and/or receipt of the invoice, will be subject to a default charge of 2%. Furthermore 1% interest per month will be charged unless the buyer can provide evidence that only a lower or no damage has been caused. Furthermore it is in the auctioneer's sole discretion whether he insists on performance or on compensation due to non-fulfillment after a set period. Compensation will be calculated after the lots have been sold directly or on another auction to a third party. In this case the defaulter has to compensate the loss of the auctioneer resulting from a lower sales price and additional costs. The defaulter is not entitled to additional proceeds earned by the auctioneer when selling the lots to a third party.

9. The objects for auction may be viewed and inspected prior to the auction. They will be auctioned in the condition as they are at the time of auction. The catalogue descriptions were made in all conscience and do not warrant any characteristics. The buyer cannot hold the auctioneer liable for any faults provided that the auctioneer has not infringed his duty to take care. Collections, batches etc. are excluded from any complaint, apart from that the auctioneer is obliged to hold the consignor liable for any complaint, which is made by the buyer within a period of 4 weeks after the auction, within a limitation period of one year. Complaints concerning a lot must be sent to the auctioneer together with the original auction lot card. The lot must be presented in its unchanged condition. This applies to the removal of hinges, submersion in water as well as chemical treatment. Only the application of sign information by a member of an acknowledged auditor association will not be regarded as tampering. In the event of complaints the auctioneer can demand a written expertise of an acknowledged auditor. If the buyer intends to get an expertise, he will inform the auctioneer about it prior to the auction. The period for complaint will be prolonged respectively. However, this does not inflict the right of the auctioneer to be timely paid. Any appraisal fees will be charged to the buyer, if the result matches the lot description or if he acquires the lot in spite of dissent opinion. Any faults, which are obvious at the time of photography, are excluded from the right of complaint. If faults of a lot are described in the auction catalogue, this lot will not be rejected and returned by the buyer because of further smaller faults. In the event of a successful claiming of the consignor the auctioneer refunds the paid purchase price and buyer's premium; the buyer is not entitled to further claims. The auctioneer has the right to refer the buyer with all of his complaints to the consignor.

By bidding on lots, which were already signed or certified by acknowledged auditors, the buyer accepts these approval marks or certificates as decisive. If bids are placed with reservation of an appraisal of another auditor, the bidder will inform the auctioneer about this reservation when placing his bid. Descriptions such as „Pracht“, „Kabinett“, „Luxus“ etc. are a subjective opinion of the auctioneer and under no circumstance a statement in regard to warranted characteristics. Lots which bear the description „feinst“ or „fein“ may possibly have small faults. Objects having a value which is defined by their postmark are excluded from complaint of any other defects.

10. Only single lots can be shipped for viewing. They must be returned to the auctioneer within 24 hours, in doing so our mode of dispatch must be utilized. Any risks and costs are for the account of the requesting party. If these lots are not present in the auction house on the day of the auction, they will be knocked down in favour of the requesting party one increment above the highest bidding price but at least for the starting price.

11. Place of fulfilment is Bietigheim-Bissingen. This will also apply, if by way of exception we hand the goods over at another location or if we send the goods from another location. Place of jurisdiction for the full trading is Ludwigsburg. Only German law shall apply. If purchase contracts are closed by auction in a country outside Germany, for consumers German law shall only apply, as far as hereby the granted protection of the law of the state, in which the consumer has his main residence, is not withdrawn (favourability principle).

12. Should one or more of the conditions above or a part of them become invalid, the validity of the other conditions will remain unchanged. The invalid conditions shall be replaced by valid conditions, which conform to their economic purpose.

13. The conditions above shall also apply to after sale and private treaty.

(This translation of the „Allgemeine Versteigerungsbedingungen“ is provided for information only; the German text is to be taken as authoritative)

The logo consists of the letters 'C.G.' in a large, stylized, serif font. The letters are dark grey or black. The 'C' and 'G' are connected at the top, and the 'G' has a distinctive shape with a small loop at the bottom.
